Dear Parents of Nursery & Reception Pupils - September 2020

If your child will be joining our Early Years in September 2020 and is new to school, you will need to provide proof of their date of birth and of their address.

If your child is already at Mesne Lea and moving into Reception, we have already seen proof of their date of birth however we will need proof of their address.

Proof of address documents are required to be dated within the last 3 months.

Please see the attached Acceptable Proof of Address Document.

Yours sincerely
