

Dear Year One,

We are very sorry but you will have to spend a short time learning at home and not in school. Unfortunately, our bubble has had a positive COVID test and we need to self-isolate at home.

This means that we have to make sure that we protect you and the rest of the school whilst they are getting better. This does not mean that school is not safe, it just means that you have to stay at home for a short time and follow the rules until you can return to school and see your friends and school family. It is important that you make sure you stay at home to keep everybody safe during this time.

We know you will all miss us but fear not! Mrs Williams and Miss Berry will be in touch throughout the week on Twitter or Class Dojo. Please try to work hard whilst you are at home, it is important that you read as much as possible and join in with all of your lessons and activities throughout the week.

Here is the invite to Class Dojo if you still need to connect to it, we will also post this link on Twitter!

We will all miss you very much. It is only for a short time and we will all be back as a group as soon as we are allowed, to carry on with the amazing learning that you have done so far this year.

Be safe everyone!

Miss Berry and Mrs Williams
